AS TIME GOES BY

(Continued from page 18)

coming, was a colorful week-end. By this time, we were well acquainted with the procedures of float-making, and were anxious to display our expert craftsmanship. Dottie May was our candidate for queen this year.

Exams having passed and second semester barely having begun, we began to hear talk about the Junior Talent Show. Under the able advisorship of Mrs. Martha Patrick, we presented "Club 11" on February 24, 1956. It was very successful and we found our bank account to be enlarged a great deal.

As our going-away present to the seniors, both classes waltzed to the sweet rhythms of the Night Hawks at the annual Junior-Senior Prom, *Moonglow*.

Like most good things, the year ended entirely too quickly, and we found ourselves assuming responsibilities in the student government of D.H.S. Elected to offices in the student body were: president, Russell Hellers; vice-president, Bobby Meadows; secretary, Betsy Christmas; and treasurer, Joe Markee. To lead us as a class, Carol Caldwell, Doug Kidd, Carolyn Fann, and Jack Dittmar were chosen for the positions of president, vice-president, secretary, and treasurer.

A very wonderful thing happened to one of our members during the following summer. While at Boys' State, Russell, not only was elected Lt. Governor, but received enough write-in votes to be elected Governor. Therefore, he also went to Boys' Nation.

Seniors at last! The tables turned and we orientated the incoming "sophs."

The first big project of our final year, which was aided by our advisor, Miss Frances Briggs, was the Fall Festival. Ann Clark, our own candidate, was elected to reign over the festivities.

Ordering calling cards, being measured for our caps and gowns, buying the invitations to our graduation, electing a teacher for the MESSENGER dedication were but a few ways in which we realized that our high school career was growing shorter.

Thirty-nine of us were tapped into the National Honor Society, and we hosted the convention and boasted two state officers from the class of 1957.

On March 8th, we put our best foot forward and presented *The Curious Savage*, directed by Mrs. Elizabeth Westall, as the senior dramatic presentation.

Final exams . . . class night . . . and graduation finally on June 5th. To the majestic strains of "Pomp and Circumstance," we solemnly marched down the sloping aisles of the auditorium in our dignified apparel. We were saying good-bye—good-bye to the narrow halls and spiced ham sandwiches, good-bye to the classmates and teachers, and good-bye to wonderful experiences never to be forgotten.

THE JUNIOR CLASS OF 1957

September ushered us back to school, a proud and happy Junior class. Unbelievably soon, we were enveloped in the football tags and chicken wire of the football season.

Talent . . . talent . . . talent . . . and "That's Entertainment" came from backstage to be a real and wonderful production.

Our going away present to the seniors was a bit of imaginative fantasy called the Junior-Senior Prom. It was, for us the juniors, the first prom and a most cherished memory.

Next year, we go to the top position on the totem pole, but not before we bid a fond farewell to this, our Junior year.

THE SOPHOMORE CLASS OF 1957

The most anticipated day of the year arrived, dawned bright and clear, and here were we lowly "skins" about to enter the halls of Durham High. Those wide halls that congealed sophomores from everywhere into one strong high spirited class ready to work for the common goals of D.H.S.

After a week of orientation we elected class officers and joined the fun of making floats for the homecoming parade. Among many other things, we supported the budget drive and our capable sophomore athletic teams.

We hit a new high in selling monogramed school stationery. Sophomores participated with much enthusiasm and interest in talent shows, clubs, societies, and other school events.

It was exciting to choose our class song, motto and colors that will stay with us throughout our years at Durham High School.

So "Fight" sophomores "Fight" and we'll always be on top 'til our last days at D.H.S.

Good luck always!

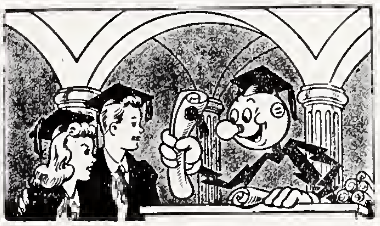
Growing Up With Opportunity



While you've been growing up and "getting educated', opportunity has been growing, too. All around you, industry and business have multiplied. Electrification has increased farm yield while cutting down on labor and risk

When you were sophomores, the Duke Power Company was beginning new plants to supply your power needs after graduation. Now ample, low-priced power increases your job opportunity, and Piedmont resources are ready for your energy and ideas. Good luck to you as you find your place in the Piedmont Carolinas
